I'll leave a link here.

P.S.: Speaking of Instagram, on Monday, tomorrow we are presenting our 2023 Instagram Study LIVE on our YouTube channel. Alex, from Metricool.

See you next week!

What do you think of this action?

Well, they are still on that mission:

It's been so quiet that I missed the chaos!

We haven't heard much from Elon Musk in the last few weeks, have we?

As you can see in the image below, you can connect with other users, see their content, and then create your own designs to your liking.

And now it's Stories turn to tell its updates:

Surprisingly enough, even though we didn't know if they would last, Instagram is still pushing them. As the appetizers of their main course called "Lives".

What a revolution on Instagram, Metricool.

We'll have to wait to see if this is popular among content creators.

I'll give you a spoiler, right?

Gym, creating new business initiatives, and it makes you want to start again from scratch, right?

According to the Pew Research Center, the US has over 100 million Instagram users.

One of my mottos is: if it ain't broke, don't fix it! However, Instagram doesn't usually hold back much, so they have
